

## Turning Toward The Sun And Growing

Tom Savre 1992

Mother fox nurses three warm kits - *turning toward the sun and growing*

They'll be running through the grass in just a little bit - *turning toward the sun and growing*

New born fawn with wobbly knees - *turning toward the sun and growing*

Will soon be bounding over rocks and fallen trees - *turning toward the sun and growing*

They've got rain and they've got sunshine - late at night the wind rolls through the pines

Every day brings a new find - *turning toward the sun and growing strong*

And osprey soars high over a windy lake - *turning toward the sun and growing*

Then drops to plunge beneath the waves - *turning toward the sun and growing*

She pops back up with a nice big fish - *turning toward the sun and growing*

And flies back to her nest full of hungry chicks - *turning toward the sun and growing*

They've got rain and they've got sunshine - late at night the wind rolls through the pines

Every day brings a new find - *turning toward the sun and growing strong*

Black bear snoozing in her winter den - *turning toward the sun and growing*

Will have two new cubs when she wakes again - *turning toward the sun and growing*

They'll soon be digging for grubs and climbing trees - *turning toward the sun and growing*

Eating crunchy hazelnuts and sweet blue berries - *turning toward the sun and growing*

They've got rain and they've got sunshine - late at night the wind rolls through the pines

Every day brings a new find - *turning toward the sun and growing strong*

Moose cow browsing with her calf in tow - *turning toward the sun and growing*

Pulling up shrubs and roots from the forest floor - *turning toward the sun and growing*

Old bull moose follows close behind - *turning toward the sun and growing*

There's only one thing on his mind - *turning toward the sun and growing*

They've got rain and they've got sunshine - late at night the wind rolls through the pines

Every day brings a new find - *turning toward the sun and growing strong*

Two young bulls watch from a little distance - *turning toward the sun and growing*

Butting heads and locking antlers - *turning toward the sun and growing*

Old bull moose with his massive rack - *turning toward the sun and growing*

Charges the pair and they jump back - *turning toward the sun and growing*

They've got rain and they've got sunshine - late at night the wind rolls through the pines

Every day brings a new find - *turning toward the sun and growing strong*

Grizzly cubs follow their mother along a mountain stream - *turning toward the sun and growing*  
Learning how to fish in the clear cold water - *turning toward the sun and growing strong*

Snapping turtle climbs up a riverbank - *turning toward the sun and growing*  
And lays her eggs in the nice warm sand - *turning toward the sun and growing*

They've got rain and they've got sunshine - late at night the wind rolls through the pines  
Every day brings a new find - *turning toward the sun and growing strong*

Mother lynx and kitten make a stealthy pair - *turning toward the sun and growing*  
As she shows him how to track a snowshoe hare - *turning toward the sun and growing*

Snowshoe hare can be quite prolific - *turning toward the sun and growing*  
Over sixty babies a year to be specific - *turning toward the sun and growing*

They've got rain and they've got sunshine - late at night the wind rolls through the pines  
Every day brings a new find - *turning toward the sun and growing strong*

Loons live on the ocean but every spring - *turning toward the sun and growing*  
Return to their favorite lake to nest again - *turning toward the sun and growing*

Where the loon babies and parents can swim and dive - *turning toward the sun and growing*  
And learn everything they need to know to survive - *turning toward the sun and growing*

They've got rain and they've got sunshine - late at night the wind rolls through the pines  
Every day brings a new find - *turning toward the sun and growing strong*

Tadpoles swimming in a muddy pond - *turning toward the sun and growing*  
Will soon be sprouting legs and moving on - *turning toward the sun and growing*

Little muskie minnow (hiding) under a lilly pad - *turning toward the sun and growing*  
Could grow up bigger than his mom or dad - *turning toward the sun and growing*

They've got rain and they've got sunshine - late at night the wind rolls through the pines  
Every day brings a new find - *turning toward the sun and growing strong*

Field mouse builds her nests in an old tin can - *turning toward the sun and growing*  
Keeps eight babies safe and dry and warm - *turning toward the sun and growing*

River otters race through the woods down to the shore  
Slipping and sliding along the forest floor

They see some people standing by the lake  
Run around the side and dive in the waves

They've got rain and they've got sunshine - late at night the wind rolls through the pines  
Every day brings a new find - *turning toward the sun and growing strong*

Turkey vulture chicks in a cave on a cliff (t) wait to see what their parents will come home with (t)

White pine seedling in the sand - *t.t.t.s.a.g.* - will someday spread a million seeds across the land - *t.t.t.s.a.g.*

They've got rain and they've got sunshine - late at night the wind rolls through the pines  
Every day brings a new find - turning toward the sun and growing strong
